To whom it may concern,

Heli-Muster NT Pty Ltd conducts aerial culling operations throughout the Northern Territory and Australia, for pastoral operations, indigenous landholders and Government Agencies. We use Heli-Ops Pty Ltd as a contracted aerial shooting supplier as and when required.

Generally during these engagements, Heli-Muster NT Pty Ltd supplies the helicopter and pilot.

Heli-Ops Pty Ltd supplies an appropriately qualified and experienced Aerial Platform Shooter and Class D Firearms.

Ammunition and fuel are generally supplied by the client.
